

Become a Member of the Janus Diversity, Equity and Inclusion Committee

The Janus Diversity, Equity and Inclusion Committee (DEI) is recruiting new members to shape the future of diversity, equity and inclusion at Janus.

Commitment

We are looking for staff who are interested in making a one year commitment to participate in the Diversity, Equity and Inclusion (DEI) Committee. Monthly attendance is preferred. Our goal is to have a staff representative from each Janus program. DEI Committee members are supported by their managers to attend these monthly meetings.

Location and Time

Zoom meetings take place the first Wednesday of each month from 10:00 a.m. to 12:00 p.m.

Benefits

The DEI Committee provides a unique opportunity to have your program and your voice represented in discussions of diversity, equity and inclusion within Janus, as well as an opportunity to share knowledge and ideas to take action in addressing diversity within programming. You will increase your professional development skills by learning and practicing meeting facilitation, participating in group decision making, taking part in event planning and demonstrating leadership.
